The **techline** Advantage

## Modular Solutions For Multiple Needs

How **techline** modular workstations fit your space

Four primary workstation attributes!

① **Worksurface** ...continuous, in the same plane provides necessary task space and accommodates business machines.

② **File Cabinets** ... to organize our documents and office supplies for efficiency and accessibility.

③ **Storage Cabinets & Organizers** ... overhead or hutches for Books, Binders & Supplies. Helps free up desktop space for work tasks.

④ **Ergonomic Seating** ... for workplace comfort, productivity and wellness. Fabric coordination with tack boards or other wrapped panels and room finishes.
